

St Mary's - Ecclesfield

Health, Safety and Welfare Policy.

Dated _____ 2018

General Statement

We are committed to the Health, Safety and Welfare of our employees, our volunteers and all members of the public who use our premises. Our aim is to ensure that our church premises are a safe work and worship environment for all who use it by controlling the hazards in and around our premises and any hazards caused by what we do.

We will make sure that you are kept safe by carrying out regular inspections and performing health and safety surveillance as required. We will maintain our premises, equipment and facilities and provide you with any Personal Protective Equipment (PPE) that we consider necessary for your Health and Safety.

We will complete Risk Assessments (and where necessary documented them) and will regularly review them.

You are asked to help us maintain a healthy and safe work and worship environment by reporting hazards, accidents, defective equipment and dangerous occurrences.

You are asked to look after any safety equipment we provide and to report immediately any defects in it.

You are required to follow any signs and / or safety instructions given to you for your safety.

You are reminded that you are responsible for your own health and safety and also for the health and safety of others who use these premises

This policy will be reviewed regularly and revised as necessary.
